Docket No. 99-68

1999-06-04

To Whom It May Concern:

Please do not vote to add a per-minute charge to our use on the Internet. Please do not pass docket # CC Docket No. 99-68. I am handicapped and it has opened a whole New World for me. I work now and live the best I can. However, if I must pay a new per minute charge I will be forced to drop my service.

Please think of the many people who can not afford to pay this fee. Please do not take the Internet away from us. For some of us, it is the only way we can do many things.

Thank you,
